

ON ANY GIVEN DAY, ACROSS AUSTRALIA

1,500 specialist homelessness agencies in Australia were supporting nearly **54,000** clients

Over **6,500** clients spent the night sleeping in crisis accommodation

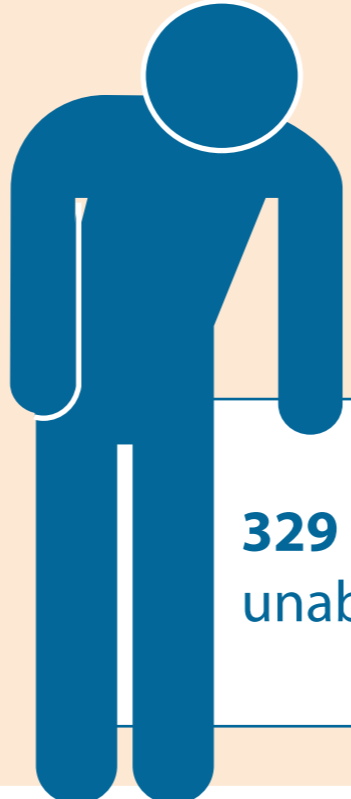

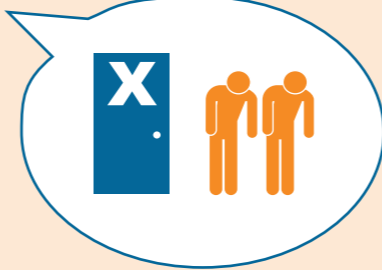

Almost **8,500** clients report having slept rough in the last month

382 clients received support for the first time in 2014–15 from a specialist homelessness services (SHS) agency

Over **9,000** of these clients were young people presenting alone and over **13,000** were children in families that were being supported

329 people were unable to be assisted

Agencies closed **479** cases with **69%** having improved housing outcomes
