

List of figures

Figure 1: Relationship between supply of and demand for dental services	3
Figure 2: Schematic model of dental recruitment and wastage	4
Figure 3: Projection model for demand of dental visits and data sources.....	5
Figure 4: Percentage of practising dentists by sex and age group, 2003	7
Figure 5: Practising dentists by average hours usually worked per week, age group and sex, 2003	8
Figure 6: Employed dentists per 100,000 population by state and region, 2003.....	9
Figure 7: Registered and practising dentists per 100,000 population, 1993 to 2003	10
Figure 8: Practising allied dental practitioners per 100,000 population by state and territory, 2003	13
Figure 9: Practising dentists, estimated attrition rates by age and sex	20
Figure 10: Projected number of dentists by sex and year.....	22
Figure 11: Percentage male dentists by age group, 2005 and 2020	23
Figure 12: Percentage female dentists by age group, 2005 and 2020	24
Figure 13: Projected number of dental visits supplied, 2003 to 2020.....	25
Figure 14: Per capita demand, dentate persons by year.....	26
Figure 15: Demand estimates, 1979 to 1995, 1999, 2002 and 2005, and previous demand projections for dental visits, 1995 to 2010.....	28
Figure 16: Dentate per capita demand for dental visits, 2005, and projected demand, 2020, by age group	29
Figure 17: Demand for dental visits, 1979 to 2005, and revised demand projections, 2005 to 2020	30
Figure 18: Reconciliation of revised demand and supply projections for dental visits, 2005 to 2020	32
Figure 19: Projected total number of dental visits supplied by various scenarios, 2020.....	43
Figure 20: Percentage dentate persons accessing dental care in the last 12 months, 1996 and 2005	45
Figure 21: Dentate per capita demand by insurance status and age group, 2005	48
Figure 22: Dentate per capita demand by location of dwelling, 2005	50
Figure 23: Projected demand for dental visits in the year 2020 by projection scenario	52
Figure 24: Most likely demand and supply projections for dental visits, 2020.....	54
Figure 25: Framework of the labour force projection model	65
Figure 26: Australian/New Zealand citizens and permanent residents commencements and completions in dentistry by year, 1994 to 2004.....	67
Figure 27: Australian/New Zealand citizens and permanent residents completions in dentistry by sex, 1994 to 2003	68
